Internship Experience

Technology Consulting Intern, **Ernst & Young (New York City)**

June 2021 – August 2021

- Executed development and testing of an SAP solution focused on governance, risk, and compliance with a Fortune 500 client in a \$19 million engagement
- Assisted in creating and editing over 20 deliverables to be used in client meetings and workshops
- Completed certified training on Blockchain and its potential uses in the Financial Services industry

Consulting Intern, **United Nations Global Compact – SDGIsrael**

June 2020 – August 2020

- Consulted a United Nations start-up based in Tel Aviv that helps local businesses be more sustainable and aligned with UN values
- Performed data analysis to get insight into how efficient Israel's private sector is at meeting the United Nations Sustainable Development Goals (SDG) targets
- Suggested ways in which clients can modify their operational processes to increase sustainability while keeping their bottom line intact

Assurance Intern, **Ernst & Young (Montenegro)**

May 2019 – July 2019

- Supported a team of 5 by performing OPEX testing while working with one of the 3 biggest telecommunication companies in Montenegro
- Cross-referenced 3 annual financial statements (equivalent to 10Ks) with a focus on changes made in the balance sheet due to an ongoing lawsuit
- Worked effectively within the regulated financial environment to help support EY's success in Montenegro as the country's best assurance service provider

Leadership Experience

Youth Representative, **American Association of University Women**

March 2020 – present

- Represent the American Association of University Women (AAUW), a UN accredited NGO, at UN functions such as briefings, meetings, and conferences
- Increase AAUW's influence at the UN by publishing a learning module for universities across the world pertaining to the influence of microfinance on gender equality

TRAC Leadership Team Member, **Library and Technology Services**

August 2019 – present

- Leader of a team of 100 students in the country's most prestigious writing program
- Manage 15-20 students per semester and assist them in providing oral and written feedback to Lehigh undergraduate students' written work
- Hold individual and small-group conferences, and act as a resource for students conducting research

Eco-Rep, **Sustainability Office**

August 2019 – May 2020

- Peer to peer education program pertaining to environmental issues aimed at fueling behavior change
- Table at campus-wide events at least 2 times per semester to recruit new members
- Grant Sustainable Living Program certificates to at least 50 students while measuring their environmental impact
- Present findings and recommend areas for improvement to department heads every semester

Language skills: Serbian (native), Croatian (native), English (fully proficient), Spanish (conversational)
